At Jada Blitz Fitness we are committed to providing a safe environment for our members, clients, and employees to help prevent the spread of COVID-19. The following plan will be implemented and followed at our facility all times.

SAFETY PLAN

I. PEOPLE

A. Physical Distancing – We are committed to ensure employees comply with physical distancing requirements by:

- Ensuring 6ft distance between personnel, unless safety or core function of the work activity requires a short distance. Any time personnel are less than 6ft apart from one another, personnel must wear acceptable face coverings.
- Tightly confined spaces will be occupied by only one individual at a time, unless all occupants are wearing face covering. If occupied by more than one person, will keep occupancy under 50% of maximum capacity.
 - Blitz Group Room:
 - Cardio Deck / Pin Select Room:
 - Large Group Fitness Room:
 - Group Cycle Room:
 - Arsenal Strength Room:
 - Power Lifting Room: 6 people
- Post social distancing markers using signs that denote 6 ft of spacing in commonly used and other applicable areas on site.
- Limit in person gathering as much as possible and use tele or video-conference whenever possible. Essential in-person gatherings should be held in open, well-ventilated spaces with appropriate social distancing among participants.
- Establish designated areas for pick-ups and deliveries, limiting contact to the extent possible.

B.

What Measure will Jada Implement to Ensure the Safety of Our Employees in Situations that may not allow for 6 ft of distance between individuals?

- Masks and gloves will be provided to all front desk employees
- Masks will be provided to all personal trainers and group fitness instructors
- Restrooms have been marked with signage to socially distance
- Locker rooms are for the time being not in use.
- Floor stickers are put in place to mark 6 ft social distancing

How will Jada Blitz management engagement with customer and visitors on these requirements?

- Stickers and signage throughout the facility reminding clients/members to socially distance.
- Floor stickers at shake bar counter to indicate where people should stand. We also have removed all shakebar stools.
- Spreading out of all cardio equipment to the 6 foot distance
- Reduction of all group fitness class by 50% to start
- Reduction of full capacity of gym by 50% to start
- Limit time at facility to one hour
- Restrooms have been marked with signage to socially distance
- Locker rooms are off limits to begin.

How will we manage industry specific physical social distancing?

- Trainers will stay more than 6 ft apart when on floor
- No more than 3 employees in breakroom at time
- No more than 2 employees behind the front counter at a time

II. PLACES

A. Protective Equipment – To ensure employees comply with protective equipment requirements, Jada Blitz agrees to do the following:

- Jada Blitz will provide employees with acceptable face coverings at no-cost to the employee and have an adequate supply of coverings in case of replacement

How will Jada Blitz procure face masks and gloves to ensure that we always have a sufficient supply on hand for employees and visitors?

- We have secured an adequate supply of face masks for our staff as well as gloves through our cleaning and janitorial supply company.

Face coverings must be cleaned or replaced after use or when damaged or soiled, they may not be shared, and should be discarded after use.

- Employees will be required to use a fresh and new face covering and gloves upon arrival for each shift.
- Should a mask or gloves be soiled a new one will be provided.

We will limit the sharing of objects and discourage touching of shared surfaces,; or, when in contact with shared objects or frequently touch areas, wear gloves or, sanitize or wash hands before and after contact.

- Front Desk / Counters – counterspace, POS system keypads, door handles, phones and computers will be wiped down with the appropriate sanitizer after every transaction.
- Fitness Floor – all equipment will be wiped down after every use or after a client touches it. Wipe stations will be provided in all rooms. Hand towels will be provided to all members free of charge.
- Entire Gym – the entire facility will close from 12-2 for a deep clean.

- Clorox 360 – our Clorox 360 machine will be used throughout the day to help keep up with disinfecting and sanitizing the facility.

B. Hygiene and Cleaning – To ensure employees comply with hygiene and cleaning requirements, Jada Blitz agrees to do the following:

- Adhere to hygiene and sanitation requirements from the CDC and DOH and maintain cleaning log on site that document date, time and scope of cleaning.
 - Our head of maintenance – Emmanuel Lopez – will be responsible for keeping a cleaning log of all fitness floor areas. This will be kept in the maintenance room.
 - Our Director of Operations – Lauren Shagla McKotch – will be responsible for keeping a cleaning log of front desk, concierge, employee room, and playroom.
- Provide and maintain hand hygiene stations for personnel, including handwashing with soap, water, and paper towels, or an alcohol based hand sanitizer containing 60% or more alcohol for areas where handwashing is not feasible.
 - Jada Blitz has a hand sink for employees located at: Front Desk, Balanced Body counter, and each restroom.
 - Hand sanitizer stations have also been placed throughout the facility.
- Conduct regular cleaning and disinfection at least after every shift, daily; or more frequently as needed, and frequent cleaning and disinfection of shared objects and surfaces as well as high transit areas, such as restrooms and common areas, must be completed.
 - Front Desk employees will be responsible for sanitizing and disinfecting counter space and transaction equipment after every customer transaction. They also will be responsible for wiping down doors after every customer entrance and exit.
 - Fitness Floor employees will be responsible for sanitizing and disinfecting equipment after use and touch. We also will have monitors on site in each room to ensure members are doing their part to wipe down equipment as well.
 - Clorox 360 Electrostatic Sprayer – Jada Blitz has invested in an electrostatic sprayer that can both sanitize and disinfect with a kill claim against COVID-19. This will be used throughout the day.
 - Mandatory close and clean from 12pm – 2pm – our entire facility will close from 12pm to 2pm daily for a deep clean of the facility.
 - Restrooms – restrooms will be clean and disinfected at the top of every hour.

C. Communication.

- Jada Blitz agrees to post signage throughout the site to remind personnel to adhere to the proper hygiene, social distancing, and appropriate use of PPE, and cleaning and disinfecting protocols.
- We have an established communication plan for employees, visitors, and customers with consistent means to provide updated information.
- We will maintain a continuous log of everyone person, including workers and visitors, who may have close contact with other individuals at the work site or area; and customers will be encouraged to provide contact information to be logged but are not mandated to do.
- Jada Blitz will maintain a log of each person that enters the site and that will be kept at our front desk and be managed by our Director or Operations – Lauren Shagla McKotch.
- If a worker tests positive for COVID-19 we will immediately notify state and local health departments and cooperate with contact tracing efforts. Our Director of Operations – Lauren Shagla McKotch – will be responsible for this.

III. PROCESS

- A. Screening** – To ensure the business and its employees comply with protective equipment requirements Jada Blitz agrees to following:
- We will be implementing a mandatory health screening (questionnaire and temperature check) before employees begin work each day and for essential visitors, asking about (1) Covid-19 symptoms in past 14 days, (2) positive COVID-19 case in past 14 days, and/or (3) close contact with confirmed or suspected COVID-19 case in past 14 days.
 - We have set up a table at the front entrance where both employees and members will be screened for both temperature and their questionnaire.
 - A front end associate will be responsible for administering the temperature check and questionnaire and will be trained by our Director.
 - The individual responsible for the temperature check and questionnaire administration will be supplied with a face covering and gloves.
- B. Contact tracing and disinfection of contaminated areas.** – To ensure the business and our employees comply with contact tracing and disinfection requirements we agree to the following:
- Have a plan for cleaning, disinfection, and contact tracing in the event of a positive case.
 - Should an employee test positive for COVID19 we will immediately clean our entire facility with our CLOROX 360 machine. We have purchased this machine and will be using it daily. This electrostatic sprayer has a COVID-19 kill claim and will be used in all areas of our facility.
 - Should an employee test positive we will work through our schedule to trace back anyone that would have been in contact with that employee and immediately reach out to all members and employees.

IV. OTHER

At Jada Blitz we have always prided ourselves on providing a clean and safe environment. It is our commitment to further that and ensure that we go above and beyond in all ways possible to keep members, employees, and visitors safe in our facility. We have invested in a large inventory of gloves, masks, cleaning solutions, disinfectant, sanitizer and wipes. We have also invested in the Clorox360 electrostatic sprayer. This machine has a COVID19 kill claim and will allow us to spray large areas and equipment at once.
